Volume 5, Number 2 is the conclusion of the two part symposium on bioethics edited by Dr. James S. Taylor. These articles, along with those in Volume 5 Number 1, are a representative sample of papers presented at the first annual *International Mardi Gras Symposium on Theoretical and Applied Ethics* held at Louisiana State University (LSU) February 27<sup>th</sup> – March 1<sup>st</sup>, 2003. The Symposium, sponsored by the Philosophy and Religion Department, is now a very successful annual event at LSU entering its fourth season. The Global Virtue Ethics Review is honored to have played a small part in its beginnings.
